More than 100 volunteers to help MTC mark its silver anniversary **Utah's fourth largest private employer continues low-income home construction tomorrow**

June 7, 2006 – FOR IMMEDIATE RELEASE

(CENTERVILLE, Utah) – Founded in January 1981, Management & Training Corporation (MTC) is celebrating its 25th anniversary this year. Utah's fourth largest private employer has chosen '*25 Years of Building Futures*' as its silver anniversary theme.

MTC has spent 25 years changing the lives of hundreds of thousands of citizens by operating federal Job Corps employment training centers across the country, including the Clearfield Job Corps Center. MTC also operates 12 correctional facilities in the United States, Canada and Australia. With 650 Utah-based employees and 5615 employees around the world, Management & Training Corporation is fourth on the list of Utah's Top 100 Private Companies in the May 2006 issue of *Utah Business* magazine.

In keeping with the *Building Futures* theme, MTC's primary anniversary undertaking is the construction of a low-income home, to be occupied by a Job Corps graduate. **Tomorrow – Thursday, June 8, 2006** – volunteer landscapers from MTC's 25 Job Corps Centers will display their 'green thumb' skills during a work party.

"We are hosting a conference for our Job Corps Center Directors and other key personnel from across the country next week," said MTC Government & Community Relations Vice President Celeste McDonald. "Since our Utah-based corporate staff and Clearfield Job Corps Center students have done nearly all of the home construction so far, we thought this would be a great opportunity for our employees from outside the state to participate. MTC is dedicated to improving communities and lives. We believe this project fits our corporate philosophy perfectly."

Construction of the 3 bedroom, 2½ bath home began in February. Hundreds of volunteer hours have been invested in the project to date, along with approximately \$15,000 in community donated supplies. This summer a qualified Job Corps graduate and their family will move into the home.
