DJCC Operator Honors Staff Member

MTC presents Denison Student Recreation Supervisor Dan Fastje with its annual award

FOR IMMEDIATE RELEASE – August 7, 2006

(DENISON, Iowa) – Utah-based Management & Training Corporation (MTC) – operator of the Denison Job Corps Center – has selected center Recreation Supervisor Dan Fastje as its “Group Life Staff Member of the Year.” Fastje was nominated for the corporate honor by one of his employees – Recreation Assistant Belinda Bartels – and Center Director Kevin Fineran.

“We are very pleased with the counselors and other group life staff members at each of our Job Corps centers,” said MTC President Scott Marquardt. “In Dan Fastje’s case, our board of directors feels he deserves our Group Life Staff Member of the Year Award for his untiring dedication to our Denison students. He accepts suggestions from his staff, creating a strong team within his department. Certainly a big part of our students’ success is due to the quality care they receive from Dan and many others.”

In her nominating letter, Ms. Bartels said, “Dan is flexible. He can pull off almost any activity with little or no notice, and does it without complaining. Dan is also willing to work on Sunday if necessary. He works along side the recreation staff to take trips, play games and supervise the gym or recreation hall. He always ensures our students are having fun and being safe while doing it. Dan makes it easy to love my job!”

The “Group Life Staff Member of the Year” award is one of eleven honors Management & Training Corporation presents each year, through its “Celebrating Excellence” awards program. Other honorees include students, educators and community partners.

Dan Fastje will receive a trophy and a \$500 cash award.

In addition to operating – or partnering in the operation of – 25 federal Job Corps centers across the country, MTC also operates 13 correctional facilities in the United States, Canada and Australia.
