A Leader in Social Impact

Corrections

Making a Social Impact by Rehabilitating Offenders

Since 1987, MTC has made a social impact by giving thousands of offenders an opportunity to change their lives. MTC's philosophy in Corrections is rehabilitation through education. MTC secures more than 25,000 offenders at 22 correctional facilities in eight states. Additionally, MTC provides rehabilitation services to approximately 30,000 probationers and parolees in the United Kingdom.

811,191

community service hours donated annually by MTC Corrections staff and offenders

24.5 Million

hours of inmate engagement activities completed annually including effective programming
