Facility Description

The SECC incarcerates adjudicated male offenders. The population is minimum custody offenders received from the Texas Department of Criminal Justice. Originally constructed and opened by TDCJ in 1989, it has been operated by a series of private prison corporations since opening. MTC has operated the facility since January, 2009.

The facility, located in Venus, Texas, consists of a 194,000 square feet structure on 100 acres of property. The construction of the building is tilt slab or concrete block walls and air conditioning. Twenty two dormitory style housing units provide spaces for 40 to 56 inmates in 2 person cells.

Ancillary spaces are provided for administration, food service, laundry, programming, warehouse, medical, recreation, library, visiting, commissary, religion, maintenance, and a Pre-Hearing Detention Unit.

The offender housing provides basic furnishings, shower facilities, and common TV areas. All showers have panels, shower curtains and screens to enhance privacy. The cells have lav/commodes in the cell, the showers have privacy screens and the detention cells have attached recreation spaces. The Correctional Officers provide security supervision.

The security perimeter consists of one woven wire fence with multiple rolls of razor ribbon wire. One armed vehicle patrols the perimeter 24/7. A Control Center monitors all traffic entering and exiting the facility. Cameras control the perimeter and are placed throughout the facility to monitor the security and to open doors. The facility has two entry points, the front staff and visitor entrance and the rear wire gate for vehicles.
The offender population is provided a large variety of program opportunities. These include the following:

Educational Programs include Adult Basic Education (ABE), Pre-GED, GED, and CHANGES II (Life Skills).

Vocational Programs include Building Trades (NCCER certified), Electrical Trades (NCCER certified), Commercial Housekeeping (Hill College), Computer Literacy (Hill College), and Culinary arts.

A “Paws of Hope” program provides a form of rehabilitation for offenders in one of the SECC housing units. 6-10 dogs are trained by the offenders at any one time.

At the time of the audit, 362 offender students were actively involved in the Education program (35% of the total population). In 2013, SECC indicated that 78 GED certificates were awarded and SECC was the first Texas Prison School to offer computerized GED testing.

The religious program is coordinated by a full-time Chaplin. Over 134 hundred volunteers assist the Chaplin to deliver religious services to the offender population. A multi-purpose facility serves as the chapel.

SECC is fully accredited by the American Correctional Association.

During the two day on-site audit, the auditor toured the facility, examined additional documentation, and conducted formal staff and offender interviews. 11 offenders from the housing units, 13 specialized staff, 4 management staff, and 11 correctional officers were interviewed using the questions provided in the audit documents. The staff and the offenders were eager to answer all questions.

The Pre-Audit document provided by the facility indicated zero allegations of staff sexual abuse and zero offender allegations of offender sexual abuse.

The interviewed offenders and staff indicated that the SECC facility was a safe place to serve time and to work. There were no complaints from the offender population or the facility staff.

In this auditor’s opinion, the Saunders Estes Correctional Center was well managed and the staff was trained and professional in their assignments.

On Tuesday afternoon, an exit meeting was conducted by the auditor. The Warden and 5 SECC staff were in attendance. In addition, the following were in attendance;

Ken Gastons, TDCJ Deputy Director, PMOFD, TDCJ

Kristie Adams, Contract Monitor, TDCJ
