Student Outcomes and Center Performance

- 292 Completed career technical training programs
- 337 Placed in quality jobs, higher education, or the military
- 107 Diplomas or equivalencies attained

Job Corps centers are ranked monthly by the U.S. Labor Department in several categories including job placement, high school diploma or equivalency attainment, certification attainment, and earnings. 125 centers are ranked on the Job Corps outcome measurement system report card. For the program year ending June 30, 2018, the Brunswick Job Corps Center achieved the following results:

- 84.1% of graduates are hired in high-growth industries
- 92.9% of students enter the workforce with industry-recognized credentials
Over 500 Hours of Community Service

The Brunswick Job Corps Center strives to be a good neighbor and to make a positive social impact in the community. Staff and students provided 516 hours of community service.

Employer and College Partners

Employers who participate in Job Corps partnerships help shape the training students receive. They can then hire and utilize a workforce that understands exactly what is expected.
