Student Outcomes and Center Performance PY 2018

181 students completed career technical training programs
156 youth placed in quality jobs, higher education, or the military
185 students entered the workforce with industry-recognized credentials

Job Corps centers are ranked monthly by the U.S. Department of Labor in several categories including job placement, high school diploma or equivalency attainment, certification attainment, and earnings. 125 centers are ranked on the Job Corps outcome measurement system report card. For the program year ending June 30, 2018, the Hawaii Job Corps Center achieved the following results:

$12.26 is the average wage of graduating students
103% overall center rating
85% of graduates are hired in high-growth industries

Hawaii is contracted to provide training to youth, ages 16-24, in the following areas:
Nearly 5,000 Hours of Community Service

The Hawaii Job Corps Center strives to be a good neighbor and to make a positive social impact in the community. Staff and students provided 4,814 hours of community service.

Employer and College Partners

Employers who participate in Job Corps partnerships help shape the training students receive. They can then hire and utilize a workforce that understands exactly what is expected.
