37573 Old Highway 30 | Astoria, OR 97103

Student Outcomes and Center Performance PY 2018

- 305 students completed career technical training programs
- 335 youth placed in quality jobs, higher education, or the military
- 141 students attained diplomas or equivalencies

Job Corps centers are ranked monthly by the U.S. Department of Labor in several categories including job placement, high school diploma or equivalency attainment, certification attainment, and earnings. 125 centers are ranked on the Job Corps outcome measurement system report card. For the program year ending June 30, 2018, the Tongue Point Job Corps Center achieved the following results:

- $14.80 is the average wage of graduating students
- 86% of graduates are hired in high-growth industries
- 102% overall center rating

Over 2,500 Hours of Community Service

The Tongue Point Job Corps Center strives to be a good neighbor and to make a positive social impact in the community. Staff and students provided 2,818 hours of community service.

Employer and College Partners

Employers who participate in Job Corps partnerships help shape the training students receive. They can then hire and utilize a workforce that understands exactly what is expected.
