Job Corps centers are ranked monthly by the U.S. Labor Department in several categories including job placement, high school diploma or equivalency attainment, certification attainment, and earnings. 125 centers are ranked on the Job Corps outcome measurement system report card. For the program year ending June 30, 2018, the Wilmington Job Corps Center achieved the following results:

- 87.1% of students enter the workforce with industry-recognized credentials
- $11.12 is the average wage of graduating students
Over 600 Hours of Community Service

The Wilmington Job Corps Center strives to be a good neighbor and to make a positive social impact in the community. Staff and students provided 668 hours of community service.

Employer and College Partners

Employers who participate in Job Corps partnerships help shape the training students receive. They can then hire and utilize a workforce that understands exactly what is expected.
