

Texas Department of Criminal Justice Awards MTC Contracts to Operate Lockhart and Cleveland Correctional Centers

June 11, 2015

(Texas) – Management & Training Corporation (MTC) is pleased to announce it has been awarded contracts to operate the Lockhart Correctional Center in Lockhart, Texas and Cleveland Correctional Center in Cleveland, Texas effective September 1, 2015.

“We look forward to working and living in these great communities,” said Vice President Mike Bell. “MTC has partnered with the Texas Department of Criminal Justice (TDCJ) for many years, and enjoys a strong partnership with the state. With these most recent awards, MTC will operate 11 correctional facilities for TDCJ.”

The Lockhart Correctional Center has a capacity of 1,000 female offenders. The Cleveland Correctional Center has a capacity of 520 male offenders. The contract length is for eight years.

MTC has been in corrections since 1987, operating safe and secure facilities with a commitment to being a leader in social impact by preparing offenders to successfully re-enter society.
