Helping Those We Serve

“It was such an honor to be here in Woodville visiting Wilkinson County Correctional Facility. The passion that Warden Bradley and his staff displayed for helping the offenders is so rewarding. I was very impressed with all of the programs that the staff outlined that are designed to help the inmates as they transition back into the community.”

~ Senator Tammy Witherspoon

“My dad wanted me to come to class and be a better father for my kids. This will better me as a person. It will help me go to college and study computer technology.”

~ Deondray Duff, GED Graduate at Wilkinson County Correctional Facility
