

# DEPARTMENT OF LABOR AWARDS MTC CONTRACT TO OPERATE EDISON JOB CORPS CENTER

July 18, 2018

**(EDISON, New Jersey) – [Management & Training Corporation](#)** (MTC) is pleased to announce the U.S. Department of Labor (DOL) has awarded MTC a two-year contract with the potential for three, one-year options to operate the Edison Job Corps center effective July 1, 2018. MTC was founded on Job Corps and currently operates 22 centers nationwide.

“We are very pleased with this opportunity to educate and train students in New Jersey,” says MTC Regional Vice President Lynn Intrepidi. “MTC has decades of experience in education and training, and we look forward to providing students with excellent training that will lead them to success in the job market.”

Job Corps is a federal program administered by the Department of Labor and operated by companies like MTC. The Edison center is among 125 Job Corps centers in the country. The Job Corps program provides free education and training to 16-24-year old youth and young adults. For more information about Job Corps, visit <http://www.jobcorps.gov/home.aspx>.

MTC is also pleased to announce that Lonnie Hall has been selected as center director. Intrepidi adds, “Lonnie comes to Edison with extensive Job Corps experience. He is a dynamic leader who sincerely cares about the welfare and success of each student. He was most recently the center director at the nation’s largest Job Corps center in San Marcos, Texas. Lonnie will do an outstanding job helping the young men and women in Edison prepare for success in their future careers.”

Edison Job Corps has the capacity to serve 329 students providing training in clinical medical assistant, nurse assistant, auto, carpentry, electrical wiring, heating, ventilation, and air conditioning, building construction maintenance, office administration, plumbing, culinary arts, computer technician, brick and masonry, and advanced career training.
