Job Corps centers are ranked monthly by the U.S. Department of Labor in several categories including job placement, high school diploma or equivalency attainment, certification attainment, and earnings. 125 centers are ranked on the Job Corps outcome measurement system report card. For the program year ending June 30, 2018, the Hartford Job Corps Center achieved the following results:

\$12.56

is the average wage of
graduating students

93.9%

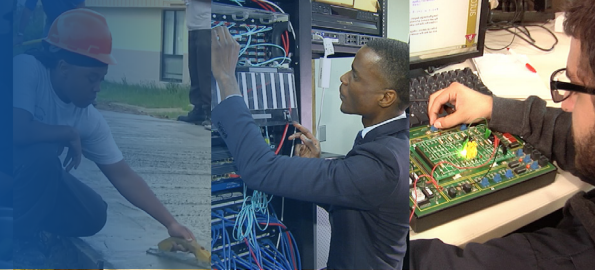

overall center
rating

Career Technical Training Programs

Hartford is contracted to provide training to youth, ages 16-24, in the following areas:

- Certified Nursing Assistant
- Clinical Medical Assistant
- Manufacturing Technology
- Insurance & Financial Services

Job Corps Works!

Community Service

The Hartford Job Corps Center strives to be a good neighbor and to make a positive social impact in the community. Staff and students donate time to help serve their community.

Employer and College Partners

Employers who participate in Job Corps partnerships help shape the training students receive. They can then hire and utilize a workforce that understands exactly what is expected.
