115

students completed
career technical
training programs

146

youth placed in quality
jobs, higher education, or
the military

162

students entered the
workforce with industry-
recognized credentials

Job Corps centers are ranked monthly by the U.S. Department of Labor in several categories including job placement, high school diploma or equivalency attainment, certification attainment, and earnings. 125 centers are ranked on the Job Corps outcome measurement system report card. For the program year ending June 30, 2018, the Springdale Job Corps Center achieved the following results:

\$12.87

is the average wage of
graduating students

86%

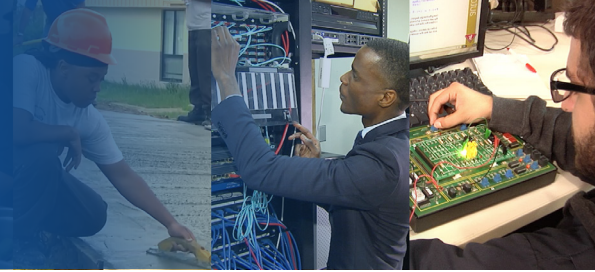

of graduates are hired in
high-growth industries

Career Technical Training Programs

Springdale is contracted to provide training to youth, ages 16-24, in the following areas:

- Auto Body Collision Repair
- Auto Body Paint and Refinish
- Certified Nursing Assistant
- Medical Office Support
- Office Administration
- Pharmacy Technician
- Protective Services and Security

Job Corps Works!

Over 800 Hours of Community Service

The Springdale Job Corps Center strives to be a good neighbor and to make a positive social impact in the community. Staff and students provided **825** hours of community service.

Employer and College Partners

Employers who participate in Job Corps partnerships help shape the training students receive. They can then hire and utilize a workforce that understands exactly what is expected.
