MTC Prepares Detainees to Successfully Return to Their Communities

The men and women detained at El Valle Detention Facility will eventually be released. It's MTC's responsibility to ensure these individuals have access to necessary services while they're in the facility including healthcare, court and legal resources, visitation, recreation, and educational programs when possible.

The MTC Difference in Detention

MTC is committed to providing high-quality programming to detainees. MTC has decades of experience providing education and training for disadvantaged populations and takes this wealth of experience to the operation of detention facilities. Programming helps detainees to prepare to transition back into their communities and make the most of their time in detention.

The facility provided **216,363** hours of effective programs, courses, and activities including adult basic education, Reading Horizons Elevate, HMH Buzz, Typing Master Pro, and Open Office applications.
