Culture of Caring—A Foundation for Success

- 1 Hire and train caring staff
- 2 Treat staff and residents with compassion
- 3 Transform lives through education, training, and treatment
- 4 Prepare residents for successful re-entry

Providing Education and Training to Reduce Recidivism

Resident Results

293 certificates earned in educational, career training, substance abuse treatment, and life-skills programs in the last year.

Certifications and Education Programs

Residents at the North Central Correctional Complex can earn a GED and further advance their academic education through a variety of courses. Residents also have the opportunity to participate in training in HVAC. Employment after release from prison is key to reducing recidivism.

North Central Correctional Complex has Achieved Nationally-Recognized Corrections and Safety Accreditations

North Central Correctional Complex is accredited by the American Correctional Association—achieving over 99% compliance for both mandatory and non-mandatory standards in its most recent audit. The facility is also certified by the Prison Rape Elimination Act (PREA).

Valuing the Marion Community

MTC is proud to be a part of the community in Marion County. Staff and inmates volunteer both time and money in the community, working with various non-profit organizations and other groups that benefit the local community. Representatives from local government, business, and civic organizations serve on the facility's community relations council. Facility leaders share important updates and collaborate on issues important to the community.

Nearly 300 volunteers provide residents with vital re-entry, addiction recovery, and religious programs to help the men make lasting changes in their lives. These volunteers proudly join North Central Correctional staff in effort to reduce recidivism and improve society.
