265 certificates earned in educational, career training, substance abuse treatment, and life-skills programs in the last year.

Certification and Education Programs

Residents at the Sanders Estes Unit can earn industry-recognized certifications through a partnership with the National Center for Construction Education and Research (NCCER). NCCER certifications in construction trades including plumbing provide residents with the skills to find good jobs after they're released. The facility also provides certifications in truck driving (CDL) and job skills in computer technology, logistics, HVAC, and maintenance. The facility's partnership with the Prison Entrepreneurship Program (PEP) also prepares men for success in business.

Sanders Estes Unit has achieved nationally-recognized corrections and safety accreditations

Sanders Estes Unit is accredited by the American Correctional Association—achieving over 99% compliance for both mandatory and non-mandatory standards in its most recent audit. The facility is also certified by the Prison Rape Elimination Act (PREA).

Valuing the Venus Community

MTC is proud to be a part of the community in Johnson County. Staff and inmates volunteer both time and money in the community, working with various non-profit organizations and other groups that benefit the local community. Representatives from local government, business, and civic organizations serve on the facility's community relations council. Facility leaders share important updates and collaborate on issues important to the community.

With more than 400 volunteers, the Sanders Estes Unit has a powerful team of community supporters who help in the rehabilitation process of the men at the facility. These wonderful volunteers provide a wide variety of education, business, substance abuse, life skills, and religious programs that help men prepare for re-entry into society.
