Center Demographics

Job Corps students receive evidence-based social skills, academic, and technical training that leads to career and life success. Here's a breakdown of the students we serve:

Age

38% 16-17 years old

62% 18-24 years old

Gender

76% male | 24% female

Race/Ethnicity

55% African American

33% White

6% Hispanic

6% Other

Follow-up Services

Helping former students with housing, transportation, food, and other essential, basic needs for one year after graduation.

Job Corps Resumes In-Person Enrollments

After a year and a half of suspended in-person enrollments, Job Corps campuses are now accepting in-person new students. The National Office of Job Corps recently eased several of the existing COVID restrictions for students residing on center. Job Corps is following the Center for Disease Control and Prevention guidance for Institutions of Higher Education.

Student Results (Year Ending June 30, 2022)

Good Jobs

165 students began their careers.

High Wages

Graduates earned \$14.67 per hour, providing them with a good starting wage and the skills and certifications necessary to advance in their career.

Job Corps Works!

Our Valuable Community Partners

The many partnerships we have in our community are vital to our center's success. Our graduates are trained and hired by our employer partners while some students go on to higher education. And our recruitment partners have helped us to introduce new students to the Job Corps program. We couldn't be successful without their tremendous support!
