Job Corps Prepares Young People for Success

Job Corps is the nation's premiere residential job training program. Thousands of underserved young people enroll in the program every year to launch a new career in a variety of fields including healthcare, automotive, construction, transportation, and information technology. More than 80% of all graduates find meaningful employment, enroll in higher education, or join the military within six months of graduation. Job Corps works!

Student Results (YEAR ENDING JUNE 30, 2023)

GOOD JOBS

142 students began their new careers.

Our Valuable Community Partners

The many partnerships we have in our community are vital to our center's success. Our graduates are trained and hired by our employer partners while some students go on to higher education. And our recruitment partners have helped us to introduce new students to the Job Corps program. We couldn't be successful without their tremendous support!
