Follow-up Services

Helping former students with housing, transportation, food, and other essential, basic needs for one year after graduation.

Job Corps Resumes In-Person Enrollments

After a year and a half of suspended in-person enrollments, Job Corps campuses are starting to reopen and enroll new students. As campuses reopen, they are adhering to stringent standards to protect students and limit the impact of COVID-19.

Student Results (Year Ending June 30, 2020)

Good Jobs

342 students began their careers.

High Wages

Graduates earned \$13.64 per hour—nearly \$4 more than Nevada's minimum wage.

Job Corps Works!

Our Valuable Community Partners

The many partnerships we have in our community are vital to our center's success. Our graduates are trained and hired by our employer partners while some students go on to higher education. And our recruitment partners have helped us to introduce new students to the Job Corps program. We couldn't be successful without their tremendous support!
