Valuing the Community

MTC is proud to be a part of the community in Bay County. Through donations and community service, staff and residents partner with various non-profit organizations and other groups to benefit their community. Representatives from local government, business, and civic organizations also serve on the facility's community relations council, where facility leaders share important updates and collaborate on issues important to the community.

More than 30 volunteers provide valuable classes and programs to help rehabilitate the men at the Bay Correctional Facility. These programs include addiction recovery, job preparation, life skills, and religious services to help residents improve their lives.
