

PREPARING MEN AND WOMEN FOR SUCCESSFUL RE-ENTRY

APRIL 2024

FACILITY PROFILE

Facility Administrator: Misty Edwards | **Capacity:** 140 Residents

Location: 1000 Industrial Drive, Henderson | TX 75652 | **Phone:** 903-722-9480

MTC-HOPE (Helping Other People Every Day) is a transitional treatment center that assists clients who have been recently released from prison. HOPE offers various programs, including intensive and supportive residential services, intensive and supportive outpatient services, and opioid tele-conferencing services.

MTC-HOPE focuses on providing our clients with the tools necessary to successfully re-enter society while remaining in long-term recovery. MTC-HOPE is a new state-of-the-art facility specifically designed and built to maximize and support treatment outcomes.

30, 60, and 90-day treatment programs are available at the HOPE facility. Residents in the 60 or 90-day programs attend treatment and are required to work towards obtaining employment after their first ten days at the facility. Residents in the 30-day program do not obtain employment as the primary focus is on eight hours of treatment-related groups and activities Monday through Friday.

Residents consist of men and women on probation and parole. Family visitation runs on the weekends and includes a one-hour family counseling session on Saturdays.

HOPE provides transportation for residents to and from employment in Henderson, TX, as well as medical or other required appointments.

Valuing the Community

MTC is proud to be a part of the community in Rusk County. Through donations and community service, staff and residents partner with various non-profit organizations and other groups to benefit their community. Representatives from local government, business, and civic organizations also serve on the facility's community relations council, where facility leaders share important updates and collaborate on issues important to the community.

Volunteers provide valuable classes and programs to help rehabilitate the men at the HOPE Transitional Treatment Center. These programs include addiction recovery, life skills, and religious services to help residents improve their lives.
