Training for Success

Job Corps students receive evidence-based social skills, academic, and technical training that leads to career and life success.

Follow-up Services

Helping former students with housing, transportation, job retention, food, and other essential, basic necessities for one year after graduation.

Job Corps Prepares Young People for Success

Job Corps is the nation's premiere residential job training program. Thousands of underserved young people enroll in the program every year to launch a new career in a variety of fields including healthcare, automotive, construction, transportation, and information technology. More than 80% of all graduates find meaningful employment, enroll in higher education, or join the military within six months of graduation. Job Corps works!
